Description

The Property House presents this brand new one bedroom apartment situated on the first floor, this Residence is located in Agios Ioannis

This project consists of nine apartments, each apartment has it's own parking space and storage room. Top quality materials, both structural and decorative, will provide its residents with the anticipated quality of life.

All apartments have large balconies that are ideal for enjoying the great view of the town. The apartments are fitted with high standard kitchens, widows with double glazing insulation and electric shutters in the bedrooms. Also double shielded exterior security doors will be fitted at the entrance of each apartment.

Each apartment is equipped with smart systems, mobile phone control electronic switch fitted for the lighting and water heaters for energy and electricity saving. The central entrance of the building will be controlled by a video door entry system.
